

National Reporting System for Adult Education 2022 Targeted Training: Journey to Enrollment—From Concept to Action

Virtual Live Session Training Agenda

Targeted Training Objectives

Drawing from their regional training work and targeted training pre-session work, state teams will:

- create a detailed action plan to guide new or continued strategy implementation toward achieving the state’s recruitment and enrollment vision,
- incorporate local provider perspectives on strategy implementation and desired state outcomes toward achieving the state’s recruitment and enrollment vision, and
- explore potential data differences and progression once the vision has been achieved.
